

## **ABOUT MRS. WOLLMAN**

### **WHY I BECAME A TEACHER**

- I was born in Rupert, Idaho- the last of 7 children! My parents raised us in a strong Christian family where worship and fellowship with other Christians was a top priority.
- I was taught from the beginning about Jesus' love and salvation to all people.
- It became very real to me in 7th grade when a wonderful teacher laid God's plan of salvation out for me and I understood the sacrifice Christ made for all of us.
- I continued to grow in God's love, and I decided to go on to college to become a Lutheran teacher.
- Even though I had never attended a Lutheran school, I saw that Lutheran Schools would provide me a place where I could share Jesus with others.

### **EDUCATION**

- BA in Elementary Education from Concordia University, Portland, OR

### **EXPERIENCE**

- Approaching 26 years of teaching at Zion Lutheran School. I've taught 1-7th grades at different times.
- I worked for 6 years at Micron Technology in Boise.
- Taught English in Japan for 1 ½ years.

### **FAMILY AND OUTSIDE INTERESTS**

- My husband, Joe, and I have been married 26 years.
- We have two children, Hunter and Hailey. Both of our children attended Zion.
- I enjoy gardening, reading, and traveling.

### **WHY I TEACH AT ZION LUTHERAN**

- I have always loved the ministry of Zion.
- Our school has never veered from the central message of God's love and salvation to a world that desperately needs Him.
- That message walks hand in hand with challenging our students academically to realize their potential.

### **CLASSROOM MISSION STATEMENT**

- Teaching in a classical school is a great challenge for me. I am constantly looking for new ways to present materials to my students, and I am always searching to challenge these children to grow in their faith and in their academics. I enjoy watching my students explore and stretch in their education. I have great visions of the future of these Christian children as they will someday influence and make contributions to our community and our country.
