

ABOUT MS. BRIDGET BUTTERFIED

– Kitchen and Hot Lunch Program Cook

WHY I WORK AT ZION LUTHERAN SCHOOL

BACKGROUND AND FAMILY

- I grew up in Casper, Wyoming, and have lived here in Nampa for the past 40 years.
- I have one son, Larry Dell, who started school here at Zion when he was in the 1st grade; his teacher was Mrs. Sams. Larry completed High School at Nampa High in 2019 and is now working for Jacksons.
- While at Zion, my son and I were both baptized here at the school, and five years later, we were confirmed at Zion Lutheran Church.

EXPERIENCE

- I started volunteering at Zion Lutheran School in 2004 for the front office, the library, and as a reader for the 1st grade class. No job is too small.
- I started working in After School Care for three years and have been working in Zion's kitchen for the past eleven years.
- I am the resident expert carrot peeler, salad maker, chief assistant cook, and bottle washer. I've also tied many bows for past Christmas Wreath fundraisers.

OUTSIDE INTERESTS

- I love to craft and make lots of doilies.
- I love to arrange flowers and use my experiences at many floral shops that I worked at, starting with my Grandmother's floral shop.
- I like to read Western and Amish romance books.

WHY I WORK AT ZION LUTHERAN

- I truly enjoy being here at Zion Lutheran School.
- My son was very well prepared for high school, where his teachers often commented on his good manners and politeness, which was emphasized at school and at home.
- The staff and parents are friendly at Zion, and you have more interaction with the teachers. The students develop excellent values.
